

| HBNI Outstanding Student Award 2024 |                                    |                 |                             |                                                      |                  |
|-------------------------------------|------------------------------------|-----------------|-----------------------------|------------------------------------------------------|------------------|
| Serial No.                          | Name of the Student                | Enrolment No.   | Discipline                  | Constituent Institution / Off Campus Centre          | Academic Program |
| 1                                   | Dr. Sujeesh S                      | ENGG01201904003 | Engineering Sciences        | Bhabha Atomic Research Centre                        | PhD              |
| 2                                   | Dr. Sumit                          | ENGG03201704002 | Engineering Sciences        | Raja Ramanna Centre for Advanced Technology          | PhD              |
| 3                                   | Dr. Ajay Kumar Pandey              | ENGG06201804006 | Engineering Sciences        | Institute for Plasma Research                        | PhD              |
| 4                                   | Dr. Sourav Sarkar                  | ENGG01201804015 | Engineering Sciences        | Bhabha Atomic Research Centre                        | PhD              |
| 5                                   | Dr. Harish Srinivasan              | PHYS01201904011 | Physical Sciences           | Bhabha Atomic Research Centre                        | PhD              |
| 6                                   | Dr. Prottay Das                    | PHYS11201705001 | Physical Sciences           | National Institute of Science Education and Research | PhD              |
| 7                                   | Dr. Lakkaraju Leela Ganesh Chandra | PHYS08201904002 | Physical Sciences           | Harish-Chandra Research Institute                    | PhD              |
| 8                                   | Dr. Ankit Kumar Panda              | PHYS11202004002 | Physical Sciences           | National Institute of Science Education and Research | PhD              |
| 9                                   | Dr. (Ms.) Sneha Das                | PHYS04201904002 | Physical Sciences           | Variable Energy Cyclotron Centre                     | PhD              |
| 10                                  | Dr. Sushil Maruti Patil            | CHEM01202004005 | Chemical Sciences           | Bhabha Atomic Research Centre                        | PhD              |
| 11                                  | Dr. (Ms) Prajnashree Panda         | CHEM11201804018 | Chemical Sciences           | National Institute of Science Education and Research | PhD              |
| 12                                  | Dr. Ajaya Kumar Sahoo              | LIFE10201904002 | Life Sciences               | Institute of Mathematical Science                    | PhD              |
| 13                                  | Dr. (Ms.) Rashi Sanjay Lunia       | MATH10201904003 | Mathematical Sciences       | Institute of Mathematical Science                    | PhD              |
| 14                                  | Mr. B. Vinith                      | ENGG01202201062 | Engineering Sciences        | Bhabha Atomic Research Centre                        | M.Tech.          |
| 15                                  | Mr. Sandeep Singh Tomar            | ENGG01202201056 | Engineering Sciences        | Bhabha Atomic Research Centre                        | M.Tech.          |
| 16                                  | Dr. (Ms.) Shreya Dhingra           | HLTH09202109002 | Medical and Health Sciences | Tata Memorial Centre                                 | MD               |
| 17                                  | Dr. (Ms.) Sumona Kundu             | HLTH09202109051 | Medical and Health Sciences | Tata Memorial Centre                                 | MD               |
| 18                                  | Dr. Aditya Dhanawat                | HLTH09202110007 | Medical and Health Sciences | Tata Memorial Centre                                 | DM               |
| 19                                  | Dr. Anup Srinivas                  | HLTH09202110059 | Medical and Health Sciences | Tata Memorial Centre                                 | MCh              |
